Bangalore
Sir,

With reference to Government
Proceedings No. 24999-25003 dated 27th
L.F. 82-92 -
June 1895, passing orders on the
final report of Bangalore City
Improvement Committee, I have
the honor to submit herewith, for
the orders of Government, the Board's
Resolution No. 2 dated 27th June 1899
together with a statement showing
the extent and the incomplete
conditions of the roads and drains
in the Northern and Western
Extensions in the City and the

probable cost of their completion.

2 It is estimated that a sum of Rs 70,000/- will be required to complete the unfinished roads and for the construction of proper drains in the two extensions.

3 In its present condition the Municipality is not in a position to meet such a heavy charge.

4 Almost all the sites in both the extensions have been built upon and occupied and it is now time that the construction of drains and the completion of roads are taken up.

5 I beg that Government may be moved to kindly consider the resolution of the Board and to order the early completion of the roads and drains in the Extensions.

I have the honor, Sir,
to be, Sir,
Yours most obedient servant.

SIR,

In reply to Government
Proceedings No. 2101 dated 19th August
L.F. 82-92
last, I have the honor to state
that the Northern and Western
Extensions known as Seshadripur-
am and Chamarajendrapete were
taken charge of by the Munici-
pality as directed in Govern-
ment Proceedings No. 24999-2500³
L.F. 82-92
dated 27th June 1895 as all build-
ings in those Extensions were
brought under taxation after
the receipt of the above orders.

These orders by some omission

were not placed before the Board. As soon as the omission was found out I took the earliest opportunity to lay the same before the Board as it was necessary that they should be informed of the orders of Government. The Board have now formally placed on record the incorporation of the extensions and in doing so they wished to lay before the Government the fact of the extensions being left in an unfinished state. In connection with the drainage scheme for the City, the Board have since learnt that a special project costing Rs 1,24,000/- has been sanctioned for Shamraje-ndrapete. This when completed

is expected to meet the present
urgent requirements of this Ex-
session

I have the honor to be
Sir
Your most obedient servant
